

§ 385.19

within the 45-day period, the period before the proposed safety rating becomes final may be extended for up to 10 days at the discretion of the FMCSA.

(g) FMCSA may allow a motor carrier (except a motor carrier transporting passengers or a motor carrier transporting hazardous materials in quantities requiring placarding) with a proposed rating of “unsatisfactory” to continue its motor carrier operations in commerce for up to 60 days beyond the 60 days specified in the proposed rating, if FMCSA determines that the motor carrier is making a good faith effort to improve its safety status. This additional period would begin on the 61st day after the date of the notice of proposed “unsatisfactory” rating.

(h) If the FMCSA determines that the motor carrier has taken the corrective actions required and that its operations currently meet the safety standard and factors specified in §§ 385.5 and 385.7, the agency will notify the motor carrier in writing of its upgraded safety rating.

(i) If the FMCSA determines that the motor carrier has not taken all the corrective actions required, or that its operations still fail to meet the safety standard and factors specified in §§ 385.5 and 385.7, the agency will notify the motor carrier in writing.

(j) Any motor carrier whose request for change is denied in accordance with paragraph (i) of this section may request administrative review under the procedures of § 385.15. The motor carrier must make the request within 90 days of the denial of the request for a rating change. If the proposed rating has become final, it shall remain in effect during the period of any administrative review.

(k) An upgraded safety rating based upon corrective action under this section will have no effect on an otherwise applicable notice of remedial directive, or proposed determination of unfitness issued in accordance with subpart J of this part.

(l) A motor carrier may not request a rescission of a determination of

49 CFR Ch. III (10–1–10 Edition)

unfitness issued under subpart J of this part based on corrective action.

§ 385.19 Safety fitness information.

(a) Final safety ratings, remedial directives, and safety fitness determinations will be made available to other Federal and State agencies in writing, telephonically, or by remote computer access.

(b) The final safety rating, any applicable remedial directive(s), and the safety fitness determination pertaining to a motor carrier will be made available to the public upon request. Any person requesting information under this paragraph must provide FMCSA with the motor carrier's name, principal office address, and, if known, the USDOT Number or the Interstate Commerce Commission MC (ICCMC) docket number if any.

(c) Requests should be addressed to the Federal Motor Carrier Safety Administration, Office of Information Technology (MC-RI), 1200 New Jersey Ave., SE., Washington, DC 20590-0001. The information can also be found at the SAFER website: <http://www.safer.org>.

(d) Oral requests by telephone to (800) 832-5660 will be given an oral response.
